

Pre-University Training for foreign citizens

Vitebsk State Technological University

We invite foreign citizens to the preparatory department, the main direction of which is to teach the Russian language and additional general education disciplines in the following training profiles:

1. technical and engineering
2. economic
3. legal
4. medical-biological

In addition to training in subjects, foreign citizens are actively involved in the student life of the university: participation in amateur performances, visits to the swimming pool, sports sections.

Listeners who successfully mastered the program receive a certificate of the established type and have the right to continue their education at any of the faculties of Vitebsk State Technological University or any other institution of higher education of the Republic of Belarus.

All foreign students are provided with a hostel.

Term of training
is 8-10 months.

Tuition fee
is 1500 US dollars.
